---

**Name of Facility/Clinic**

**THE FOLLOWING PAGES DO NOT NEED TO BE SUBMITTED, PLEASE RETAIN FOR YOUR RECORDS**

## **ADMISSIONS POLICY**

### **GENERAL**

- Start the application process early. Please allow 2 months to complete Criminal Record Check and Child & Adult Abuse Registry Checks.
- All required documents must be received before applicants will be considered for MMI testing or entered into the application process.
- The Primary Care Paramedic Program has a competitive selection process based on a candidate's application and performance on our multiple mini interviews and testing selection process. Criti Care does not maintain a waitlist for acceptance into the Paramedic Program. We will accept applications until the posted application deadline, then interview and test those applicants who have submitted all required documents and meet all pre-requisites.
- The Primary Care Paramedicine Program is taught at a university level, therefore it is incumbent upon the applicant to understand that the minimum qualifications set out herein reflects the academic background which we believe necessary to complete the program. Successful completion of this program requires meeting a high academic standard, successful field precepting, coupled with aptitude, diligent study, and effort.
- The in person didactic (classroom) portion of the course will run from September 2026 until approximately July 2027. The ambulance and hospital practicum portion will run from approximately July 2027 until December 2027. Graduation from the PCP program will tentatively be in December 2027.

### **APPLICATION CRITERIA**

#### **Education:**

- High school
  - One senior level (Grade 12) credit in Science (Biology, Chemistry or Physics)
  - One senior level (Grade 12) credit in English
- Please submit any recognized post-secondary education if applicable
- Manitoba Class 4 Driver's license
- Original Copy of Criminal Record Check (dated within 12 months of application)
- Original Copy of Adult and Child Abuse Registry Check (dated within 12 months of application)
- Handwritten Autobiographical Letter (see instructions below)
- Current certification (within the last 12 months) for First Aid and CPR (e.g. Emergency/Basic First Aid, Standard/Immediate First Aid or Advanced First Aid)
- Confirmation of Immunizations
- Canadian Citizen or Permanent Resident

### **INSTRUCTIONS FOR AUTOBIOGRAPHICAL LETTER**

Autobiographical letter (2 pages, single spaced) outlining why you are choosing to go into paramedicine, how/when you have demonstrated characteristics or attributes such as: commitment, dedication, critical thinking and decision making, accountability, professionalism, conflict resolution, overcoming adversity, public service.

## **ADDITIONAL SELECTION CRITERIA TO BE CONSIDERED**

- Previous Academic Achievements
- Multiple Mini Interviews (MMI Testing) - It is a series of mini-interviews / stations, lasting 10 minutes each. The MMI evaluates personal characteristics (non-cognitive attributes) important for success in Paramedicine and health sciences setting including: Ethics, Accountability, Communication, Good Judgment, Critical Reasoning Skills, Empathy, Maturity, Strong Interpersonal Skills. This interview method provides an opportunity for applicants to apply general knowledge and personal experiences to issues relevant to the society in which they live and the health care systems in which they hope to work.

## **PROGRAM TUITION**

*It is our policy to ensure that each student is aware of all tuition and material costs associated with their studies. The following are the current total program fees for Primary Care Paramedic Program. Please note that program fees are subject to change.*

---

### **PROGRAM FEES:**

• Tuition Payment	\$ 12,250.00
• Books, Uniform & Supplies	\$ 2,506.00
• Clinical Fees	\$ 1,600.00
• PPE (Personal Protective Equipment)	\$ 95.00
• Gov. Manitoba Education & Training, Training Completion Fund	\$ 61.25
<b>Full Payment Total</b>	<b>\$ 16,512.25</b>

---

**Students must wear designated Paramedic uniform for all sections of training.** Students will be sized for uniforms during the program orientation and registration.

### **PARAMEDIC UNIFORM INCLUDES**

- Two Uniform Pants
- Two Uniform Shirts
- One Pair EMS Footwear (boots)
- EMS Hi-Vis 3 in 1 Jacket
- Two EMS T-Shirts
- Personal Protective Equipment
- Uniform Cresting
- One Identification Card

## **A NOTE REGARDING: CLINICAL PRACTICUM**

- Costs associated with travel and accommodations during ambulance internship / clinical practicum will be the responsibility of the student.

**All students will be required to have the following for the duration of the program for electronic competency tracking (CompTracker):**

- Apple iPad Mini (running the latest iOS version is recommended). An iPad can also be used but the preferred device is the iPad mini

**Or**

- Android Tablet (Example: Samsung Galaxy Tablet). Android tablets must currently support Android Operating Systems (5.0 or greater).

## **CLINICAL PRACTICUMS**

The Primary Care Paramedicine Program is designed to provide students with a breadth of clinical experience. Students will attend EMS ambulance sites, community EMS sites, as well as Hospital based departments including Emergency Department/Urgent Care and other clinical departments.

Students are afforded the opportunity to experience a wide variety of patient encounters as well as exposure to different EMS system models, including public municipal EMS, private municipal EMS, urban & rural EMS. All EMS field precepting takes place in services with which we have precepting and training agreements, including in Winnipeg and rural Manitoba.

# Physical Fitness Assessment and Counseling

ONCE YOU HAVE BEEN ADMITTED INTO THE PARAMEDICINE PROGRAM, YOU WILL BE REQUIRED TO COMPLETE A PHYSICAL FITNESS ASSESSMENT AT THE UNIVERSITY OF MANITOBA.

**Note this assessment will be scheduled AFTER you are accepted into the Program.** The following is provided for information only:

## Paramedic Physical Fitness Assessment

### ***Policy and Procedure:***

A Paramedic Job Related Physical Fitness Assessment is done as part of the Criti Care EMS Primary Care Paramedic Program Enrolment. The testing is done by the University of Manitoba Faculty of Kinesiology and Recreation Management. All students enrolled in the Paramedic Program must complete the testing and return a copy of the completed testing certificate to Criti Care EMS. The testing is done for counseling purposes related to suitability for a career as a Paramedic. The university will provide counseling in any tested area that candidate has not demonstrated satisfactory performance in to allow the candidate to improve their abilities. Please note in order to proceed to clinical practicum the job-related physical testing must be completed with a pass.

### ***Additional Information:***

For additional information about the physical fitness testing please see the link below:

<https://umanitoba.ca/community/sport-recreation/recreation-services/occupational-testing#paramedic-physical-fitness-assessment>

# An Extraordinary Career Demands Extraordinary Training

As practicing professionals in the field, our staff at Criti Care understand the high level of training paramedics require in order to meet the challenges they face in a fast paced and demanding environment. That is why, when it comes to the quality of training we provide there is no room for compromise. Our comprehensive and world class training gets the very best out of our students and we have over 25 years of history producing some of the very best paramedics in the province to prove it.

The Paramedic must be a confident leader who can accept the challenge and high degree of responsibility entailed in the position. The Paramedic must have excellent judgment, be able to prioritize decisions, act quickly in the best interest of the patient, be self-disciplined, develop patient rapport, interview challenging patients and maintain safety. The Paramedic must be able to recognize and utilize communication unique to diverse multicultural groups and ages within those groups as well as being able to function independently at an optimum level in a non-structured environment that is constantly changing.

## Are you ready for the Challenge?

You will find the following information and documents in this application package:

- Overview of the Application Process and Admission Steps
- Admissions Policy: criteria, prerequisites, general requirements and guide to completing your application
- Primary Care Paramedicine Application Form
- Application Checklist
- Immunization Verification Form
- Detailed information regarding program tuition, clinical practicum, materials
- Physical Fitness Assessment and Counseling
- Career information – roles, responsibilities, characteristics, licensing and employment
